SPRING 2011 ISSUE

Important Information for patients, physicians, and other healthcare professionals

New Arrivals: Come in and look at the newest collection of bathing suits by Amoena! Our bathing suits feature high quality fabrics that look and feel great. Clever tailoring provides extra security and comfort. Each suit features a pocket to hold a breast form or symmetry shaper securely in place.

Hats, hats and more hats!!! Our spring and summer hats and scarves are just perfect for the warmer weather.

Spring time is the perfect time to purchase camisoles. They are light weight and awesome for layering with your shirts and tops. Talk about comfort with style, the Wear Ease camisole or bra is perfect immediately after breast cancer/mastectomy cancer surgeries and throughout recovery, including radiation, breast augmentation, reduction, reconstruction, implant revision. All camisoles and bras are uniquely designed with an inner shelf bra to support remaining breast(s).

Don't sweat it, absorb it! Pambra's are the perfect bra liner. These liners aid under and between the breasts to prevent perspiration and/or irritating underwire bras.

Going on a cruise, vacation, or just tired of "bad hair days"? Schedule an appointment to be fitted with a wig. The styles, highlights, and colors are just what you need to reinvent yourself and not worry about spending time on your hair.

Spring into Summer with new softcup, underwire and molded bras by Amoena, Anita, ABC, and WearEase.

Needing compression hose: knee socks, thigh-hi, pantyhose, arm sleeves or gloves/gauntlets. Come see us so we can assist you. Get a prescription from your doctor and we will not have to charge you sales tax!
